Education

- University of California, Irvine, Cardiology Fellowship Training 7/06 6/09
- Scripps Mercy Hospital, San Diego, Internal Medicine Training 6/03 6/06
- University of California, San Diego, M.D. June, 2003
- University of California, San Diego, Revelle College, B.S., June, 1999

Honors/Awards

- Board Certified in Cardiovascular Disease, 2009.
- Board Certified in Nuclear Cardiology, 2008.
- Travel Grant Award winner to the American Society of Nuclear Cardiology (ASNC) national meeting, 2007.
- Board Certified in Internal Medicine, 2006.
- Scripps Mercy Hospital Geller Award for best original research, June 2006
- Scripps Mercy Hospital Geller Award for best original research, June 2005
- Scripps Mercy Hospital Geller Award for best case report, June 2005
- Scripps Mercy Hospital Geller Award for best comprehensive review and research, June 2004
- NIH Research Grant, June 2000
- Phi Beta Kappa: Inducted into the University of California at San Diego chapter in 1999
- Departmental Honors in Chemistry/Biochemistry (requires a 3.7 major GPA and a year of research with a thesis paper and presentation), June 1999
- Area of Focus (Minor) in Spanish Literature, June 1999
- National Dean's List: Honored in both 1998 and 1999
- XJean Dreyfus Boissevain Undergraduate Scholarship for Excellence in Chemistry: A Research Fellowship 1997 – 1998
- Golden Key National Honor Society: January, 1998

Research Experience

- Numerous research projects at the University of California, Irvine, Cardiology division, 2006 2009
- Primary site investigator at Scripps Mercy Hospital for the multiple center ARTIST trial assessing the clinical impact of aspirin resistance testing in ACS, 2004 – 2006
- Clinical Research in BNP and CHF with Dr. Alan Maisel, Director, Coronary Care Unit, Veterans Hospital, San Diego, CA, 2000-2003
- Dr. Theodorakis Research Group: Organic chemistry natural product total synthesis research, 1997-1998

Activities

- Nominated and elected Chief Cardiology Fellow 2008 2009.
- Nominated and elected president of the Scripps Mercy Hospital Resident Advisory Committee, 2005 – 2006
- Elected peer representative serving on the Scripps Mercy Hospital Resident Advisory Committee, 2003 – 2006
- Member of the Scripps Mercy Hospital physician computer records committee, 2003 2006
- Member of Scripps Mercy Hospital IRB committee, 2004 2006.
- UCSD Medical School Representative at the Western Medical School Research Forum, February, 2001
- UCSD Free Clinic: volunteered and served as an administrator 1999-2001
- Doctors Ought to Care: educated elementary school children about the harmful effects of tobacco, 1999-2001
