

New Cardiology Services Available

Alex Harrison, M.D.

■ Cardiologist Alex Harrison, M.D., offers noninvasive outpatient cardiovascular imaging services.

The community of Santa Maria is pleased to welcome

Alex Harrison, M.D. and C4 Imaging

Central Coast Comprehensive Cardiovascular Imaging

Alex Harrison, M.D., is a cardiologist now serving the community of Santa Maria as well as offering noninvasive outpatient cardiovascular imaging services at C4 Imaging. The imaging services include echocardiogram, vascular ultrasound, exercise and pharmacologic stress testing, and nuclear myocardial perfusion imaging.

Dr. Harrison earned both his Bachelor of Science and Medical Doctorate degrees from the University of California, San Diego. He then completed internal medicine training with Scripps Mercy Hospital in San Diego and cardiovascular fellowship training at the University of California, Irvine. He is an invasive noninterventional cardiologist who performs angiograms and implants pacemakers. Additionally, he has clinical and research expertise in the cutting edge field of cardiovascular imaging.

Dr. Harrison is fluent in both English and Spanish; his services are available to adult cardiovascular patients.
